

The Musée Cévenol

Aigoual

Attribution : Musée Cévenol (© Musée Cévenol)

The Cevenol Musuem is located in a former silk factory and houses a collection ranging from Prehistory to today. Come and discover the traditions, former crafts and former industrial activities of the Cévennes.

Useful information

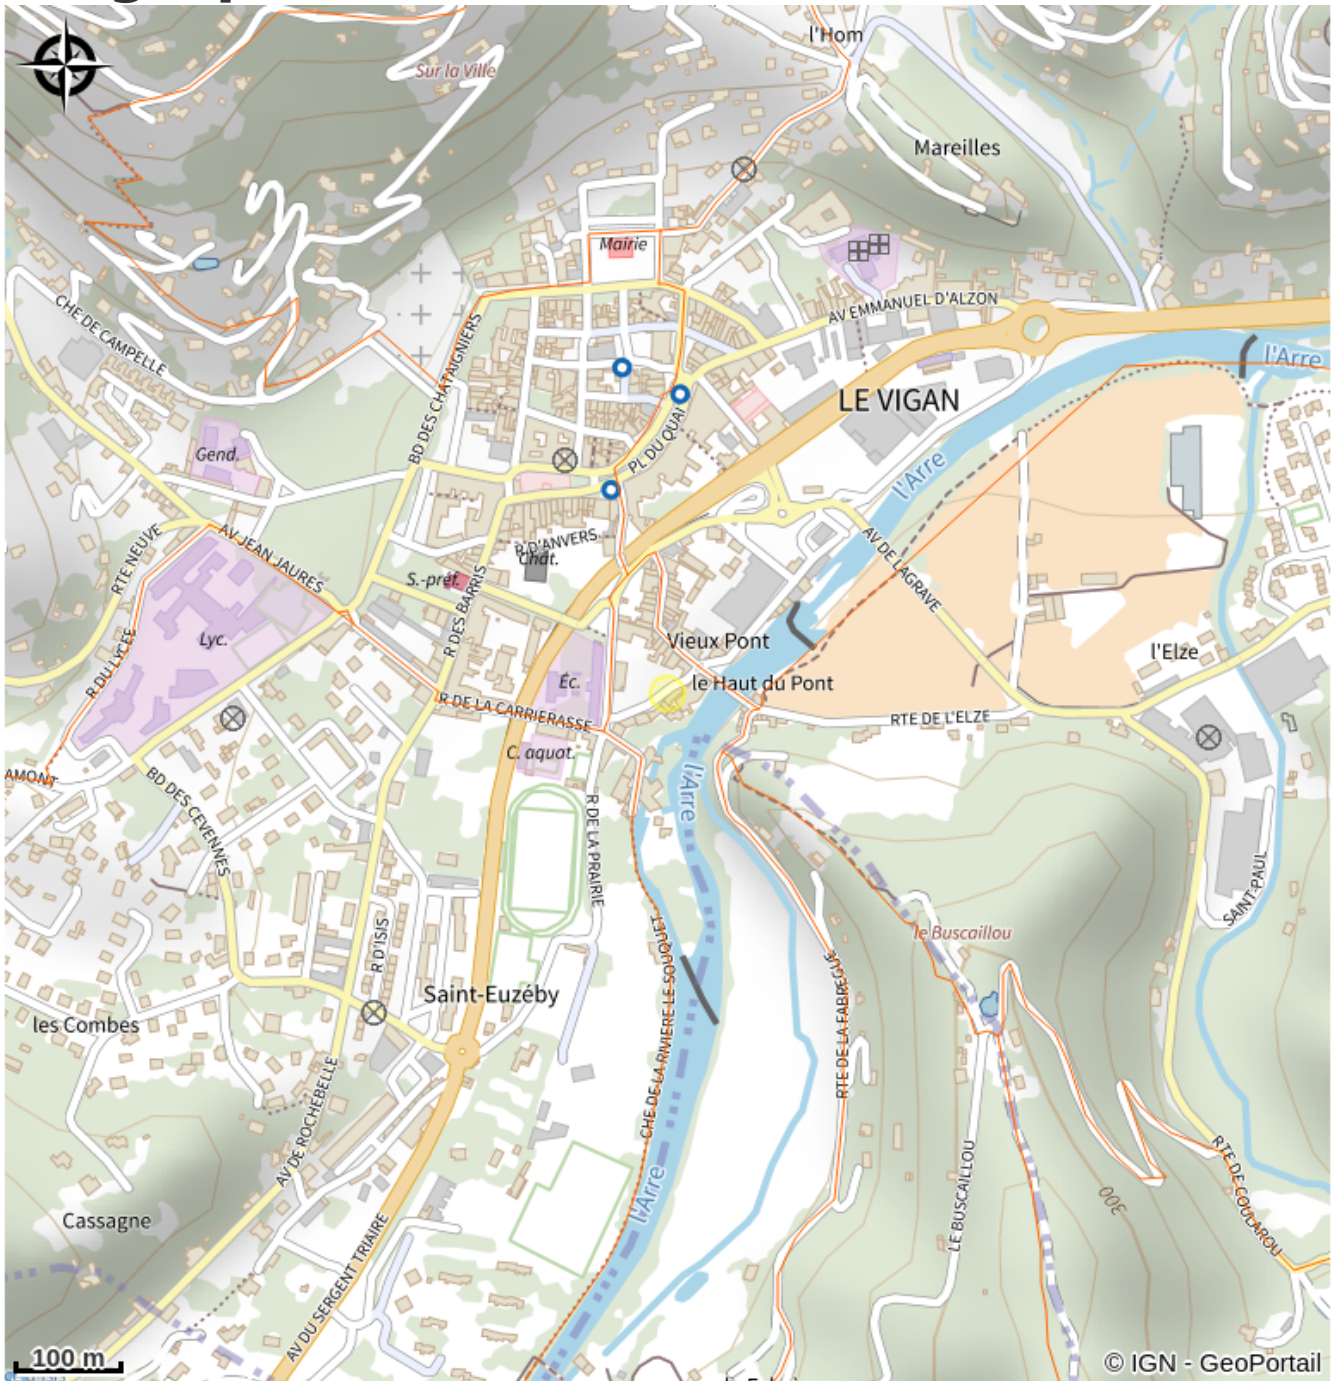

Type : Visits

Themes : History and culture

Description

On three floors, the Musée Cévenol brings together collections that allow the visitor to pick up the thread of history through such leading figures as the author and member of the French Academy André Chamson (1900-1983), Coco Chanel (1883-1971), Robert de Joly (1887-1968) and others.
