For your first encounter with the
Aigoual massif...

Useful information

Category : Visits

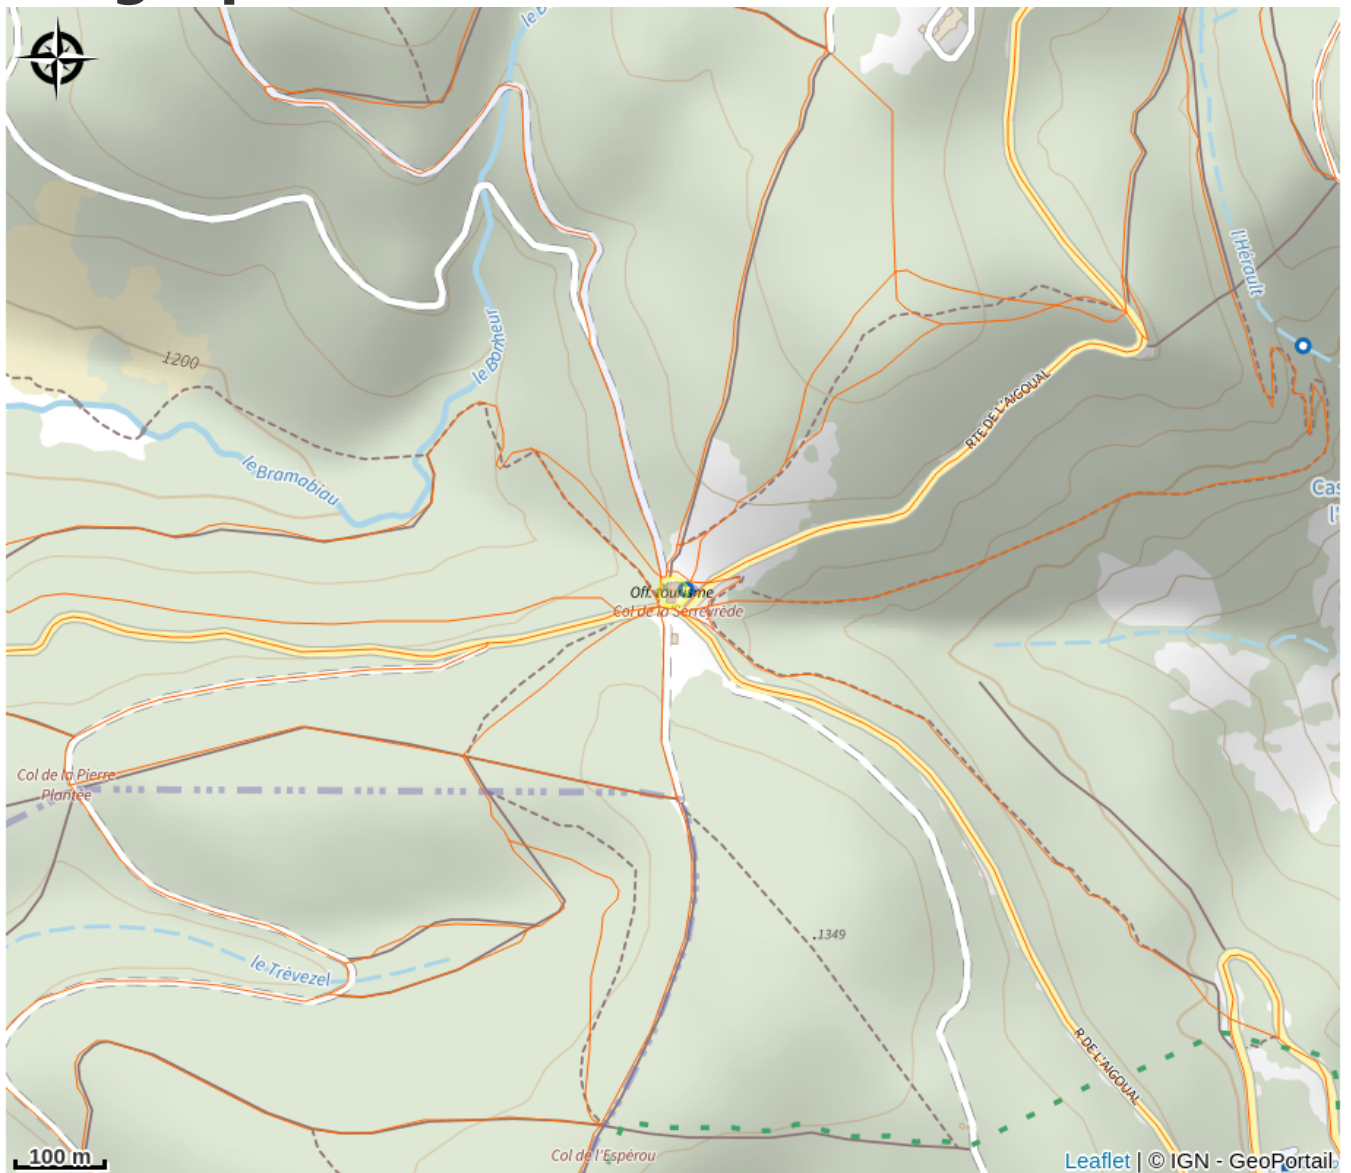

Type of visit : Museum and
exhibition

Themes : History and culture

Description

This site brings together a Maison du Parc (Cévennes National Park information centre) and the tourist office Mont Aigoual Causses Cévennes, and is an unmissable stop for your exploration of this mountain range: it provides a personalised welcome and advice, tourist information, exhibitions and events. The Maison de l'Aigoual is also the departure-point for many walks and hikes.

Geographical location

All useful information

Practical info

Open year-round.

The Maison de l'Aigoual is located at the Col de la Serreyrède pass on the RD 986 road, near the summit of Mont Aigoual.

Video projections, one-off events, temporary exhibitions, National Park shop and bookshop.

The Maison de l'Aigoual is accessible for people with impaired mobility.

The on-site farm shop "Terre d'Aigoual" sells farm products.
