 The Eurasian skylark (A)

All useful information

Advices

NB: This walk crosses pastures. Do not approach the cattle. Keep your dogs on a leash.

Make sure your equipment is appropriate for the day's weather conditions. Remember that the weather changes quickly in the mountains. Take enough water, wear sturdy shoes and put on a hat. Please close any gates and barriers behind you.

How to come ?

Transports

LiO is the regional public transport service of the Occitanie/ Pyrénées - Méditerranée region. It facilitates everyone's movements by prioritising public transport. For more information, go to the lio Occitanie app or visit. <https://www.mestrajets.lio.laregion.fr>

Access

From Mende, towards Badaroux on the RN88, then on the D901 towards Bagnols-les-Bains, Le Bleymard. After the Col des Tribes pass, drive down to Cubières.

On your path...

The Eurasian skylark (A)

The Eurasian skylark has a characteristic song, which it delivers during its ascending flight, sometimes for several minutes without a break.

A migrating bird, it has brown feathers with darker stripes. It has a plump body and rather short, wide and pointed wings. Its belly is a creamy white and its chest tan with brown-black stripes.
