

The wash houses (south)

Piémont cévenol nord

Lavoir, SAint Paul le Jeune (Borre Zimmermann)

The hamlets have houses with exposed stonework, overlook crop terraces and offer handsome views over St Paul and its surroundings. In the summer, when the sun becomes overly generous, the shady vaulted passages are much appreciated.

This loop completes the walk “The wash houses (north)” in the village of Saint-Paul-le-Jeune, which honours built heritage.
